

§ 19A-12. Possession of black bear on July 1, 1975; surrender of bear; modification of facilities; forfeiture.

Any person, firm or corporation in possession of a black bear on July 1, 1975, under an existing permit issued by the Wildlife Resources Commission, where the conditions under which such black bear is held are in violation of this Article, may immediately surrender such black bear and such permit to the Wildlife Resources Commission which shall compensate such person, firm or corporation in the amount actually paid for such bear not to exceed the sum of one hundred dollars (\$100.00) for any one bear. In lieu of surrendering such black bear and such permit, any such person, firm or corporation may give immediately written notice to the Wildlife Resources Commission that plans and specifications for facilities to hold such bear without caging under conditions simulating a natural habitat will be submitted to the Commission for approval within 30 days thereafter. In the event such plans and specifications are not submitted within the time thus limited, or they are disapproved by the Commission, or the facilities are not completed in accordance therewith within 60 days after approval by the Commission, continued possession of a black bear by such person, firm or corporation after any of such events shall constitute a violation of the provisions of this Article, and any such black bear shall be forfeited to the Wildlife Resources Commission without compensation.
